

7. Dezember

12:00 Lunch / Registration (Academiegebouw, RUG)

13:00 **Opening Ceremony with representatives from the Netherlands and Germany (Senaatskamer, Academiegebouw, RUG):**

- prof. dr. Folkert Kuipers
- Prof. Dr. Alex W. Friedrich
- Staatssekretärin Marlis Bredehorst
- Staatssekretär Heiner Pott
- mr. Jan B. Oostenbrink
- drs. Karel A. Groen
- dr. Marianne Donker

15:15 walk to the UMCG, onderwijscentrum / Registration (Fontainpatio, UMCG)

15:45 **Workshops 1st round: MRSA, ESBL, EHEC, viral hospitalinfections, antibiotic stewardship, neues Infektionsschutzgesetz (D)**

16:45 Tea break / discussion (Fontainpatio, UMCG)

17:00 **Workshops 2nd round**

18:00 Get-together / ice-breaker (Fontainpatio, UMCG)

8. Dezember

08:30 Registration (Fontainpatio, UMCG)

Session 1: Healthcare-associated infections as challenge for crossborder patient mobility

09:00 **Infection prevention initiatives in Europe**
Prof. Dr. Petra Gastmeier

09:30 **S. aureus infections in Europe**
Dr. Robert Skov

10:00 **EPECS**
drs. Brigitte van der Zanden

10:30 **Nosocomial viral infections**
prof. dr. Marion Koopmans

11:00 Coffee Break (Fontainpatio, UMCG)

Session 2: Antibiotic resistance: sources and zoonotic potential

11:30 **EHEC infections**
Prof. Dr. Dr. Helge Karch

11:55 **Zoonotic potential of antimicrobial resistance**
prof. dr. Jan Kluytmans

12:15 **Epidemiology and clinical impact of HEV**
prof. dr. Bert Niesters

12:40 **LA-MRSA: Zoonotic potential**
Prof. Dr. Andreas Voss

13:00 Lunch / Postersession (Fontainpatio, UMCG)

Session 3: Regional infection prevention and Public Health

14:00 **MRE-Netzwerk Nordwest, Hospital Quality Certification outside the Euregio**
Dr. Inka Daniels-Haardt

14:25 **Network analysis and transmission dynamics in nosocomial infections**
Prof. Dr. Hajo Grundmann

14:50 **Regional infection prevention as a response to transmission via healthcare clusters**
Prof. Dr. Alex W. Friedrich

15:15 **Euregional STD-prevention in borderregions, GGD/ÖGD**
Dr. Dr. Rüdiger Rau

15:30 **GGD activities in the Euregio**
drs. Bert Wolters

15:45 **Prevalence, spa types and risk factors associated with methicillin-resistant S. aureus on admission to German hospitals of the Ems-Dollart-Region**
Dr. Matthias Pulz

15:55 **Density of antibiotic use in hospitals within the EurSafety Health-net project**
Dr. Robin Köck

9. Dezember

08:30 Registration (Fontainpatio, UMCG)

Session 4: Infection prevention: benchmarking and public reporting

09:00 **Public Health in Europe**
PD Dr. Andrea Ammon

09:20 **Challenges for infection prevention in Europe?**
prof. dr. Roel Coutinho

09:40 **Infection control: benchmarking and public reporting – UK Experience**
Prof. Dr. Mark Wilcox

10:00 **Surveillance and benchmarking: data from PREZIES**
dr. Birgit van Benthem

10:20 **Inspection of hospitals**
Marijke Bilkert-Mooiman

10:40 **The EurSafety Health-net emr project: antimicrobial resistance of E. coli and S. aureus isolates from nursing home residents**
drs. C.F.M. van der Donk

10:50 **Aufbau einer euregionalen Datenbank zur grenzüberschreitenden Meldung von meldepflichtigen Infektionskrankheiten**
Dr. Annette Jurke

11:00 Coffee Break (Fontainpatio, UMCG)

Session 5: Patient safety: required structure and costs

11:15 **Cost-efficiency of modern infection prevention**
dr. Ron Hendrix

11:35 **Implementation of a new infection control unit in non-university hospitals**
Dr. Jörg Herrmann

11:55 **EHCI**
Prof. Dr. Dr. Wilfried von Eiff

12:15 **Infection manager; eHealth platform EurSafety**
dr. Lisette van Gemert-Pijnen

12:35 Break

12:45 **MRSA – Kosten des Gesundheitssystems: 2 Falldarstellungen**
Dr. Ralf-Achim Grünther

12:55 **Der besondere Erfolgsweg mit MRSA in Hamm, NRW**
Hans-Jörg Höning

13:05 **Erfahrungen aus einer universitären MRSA-Ambulanz**
Dr. Volker Meyer

13:15 **Closing**
Prof. Dr. Alex W. Friedrich

13:45 Lunch / Postersession (Fontainpatio, UMCG)
